Rock Creek Nursery

Rockville, Maryland

Barberry Hedge

c Catalog of
**TREES, SHRUBS
VINES, ROSES,
and FRUIT**

**ORNAMENTAL PLANTINGS
A SPECIALTY**

M. G. COPLEN, Proprietor
ROCKVILLE, MD.

Prices in this catalogue are for stock delivered to Rockville depot packed ready for shipment. Orders of \$25.00 or more are usually delivered free to near-by points by freight or motor truck, time of delivery to be at my convenience.

Terms—Cash with order or 25 per cent with order and balance upon delivery of stock.

Guarantee—Although I have no control over the stock after it is delivered to customer or my station, I will share the loss, if any, by replacing at one-half the purchase price at the nursery with similar stock of the same grade, all stock that may die within one year from date of delivery, providing the stock does not die from neglect or abuse.

I try to fill every order correctly. If a mistake should occur, it is agreed between the purchaser and myself that I shall not be held liable for more than the value of original stock which proves untrue to name.

Customers who give me permission to substitute another variety for the one which I am sold out of, may be sure of receiving another variety of equal merit. Please give second choice when ordering.

I have many varieties of plants not listed, so please write me about any plant which you may want. Special prices will be quoted to prospective purchasers of large quantities of one variety and size.

Retail yard and office at Autry Park on Rockville Electric Line. Nursery one mile east of Halpine Station.

A small booklet containing ten planting plans for small grounds and several pages of condensed information for the home owner will be ready April 1st. It may have just the suggestions you are looking for. It is free. Write a card for a copy.

I wish to please every customer and hope to receive your order each season. This is your assurance that you will receive good stock and service.

M. G. COPLEN,

Rock Creek Nursery,
Rockville. Md.

Flowering Shrubs

Each Per 10 Per 100

ALMOND, FLOWERING

3 to 4 feet\$ 1.00

WISTARIA.		
Blue.		
2 to 3 feet90	

Weigelia Rosea

You will find our Shrubs to be clean thrifty stock that will make an early and vigorous growth.

Evergreen Trees

The following Evergreens have been grown with care and have been transplanted and clipped several times. The various retinospora, arborvitaes and junipers are much used for foundation plantings as they will stand clipping or shearing which keep them low and bushy. The blue spruces, firs and pines are more properly used as specimen, wind break, or for screen plantings. The Norway spruce, American arborvitae and hemlock make splendid evergreen hedges.

BIOTA ORIENTALIS.

	Each	Per 10
12 to 15 inches	1.00	
15 to 18 inches	1.25

Clematis Paniculata

HARDY FLOWERING SHRUBS

From this selection of hardy flowering shrubs, evergreens and shade trees, you can give your house and grounds a homelike setting at a very reasonable cost. They can also be used to screen out unsightly views, such as windbreaks, inclosures for the yard, garden, laundry yard, outbuildings, foundation plantings for the house, border plantings, along walks and drives. The shrubs which bear berries are very useful to attract birds.

We will gladly help you to select shrubs suitable for any of the above uses, as well as to have a charming display of beautiful flowers for the spring, summer and autumn in addition to the added color of berries, fruit and bark, all of which makes the home more enjoyable at all seasons and increases its volume from year to year.

All the shrubs are healthy and well grown and will succeed with a reasonable amount of attention. If any should fail to grow after receiving a reasonable amount of care, they will be replaced f. o. b. nursery, at one-half the purchase price.
